GLOBAL NOTES AND STATEMENT OF  
LIMITATIONS, METHODOLOGY, AND DISCLAIMER  
REGARDING DEBTOR'S SCHEDULES AND STATEMENTS

The Schedules of Assets and Liabilities and Statements of Financial Affairs (the "Schedules and Statements") filed by Anesiva, Inc., (the "Debtor") are unaudited and were prepared pursuant to 11 U.S.C. §521 and Rule 1007 of the Federal Rules of Bankruptcy Procedure (the "Bankruptcy Rules") by Debtor's management. While Debtor's management has made reasonable efforts to file complete and accurate Schedules and Statements based upon information and resources available at the time of preparation, the Schedules and Statements may not be fully complete. Subsequent and or additional information may result in material changes in financial and other data contained in the Schedules and Statements. These Global Notes and Statement of Limitations, Methodology, and Disclaimer Regarding Debtor's Schedules and Statements (the "Global Notes") are incorporated by reference in, and comprises an integral part

of, the Schedules and Statements and should be referred to and reviewed in connection with any review of the Schedules and Statements.

1) Basis of Presentation. The Schedules and Statements do not purport to represent financial statements prepared in accordance with Generally Accepted Accounting Principles (“GAAP”), nor are they intended to fully reconcile to any financial statements otherwise prepared and/or distributed by the Debtor.

2) Related Debtor - AlgoRx Pharmaceuticals, Inc. In December 2005, the Debtor purchased AlgoRx Pharmaceuticals, Inc., a Delaware corporation, and all of its domestic and international subsidiaries (collectively, “AlgoRx”). In reviewing the Debtor’s books and records in order to complete the Schedules and Statements for the Debtor and for AlgoRx, Debtor’s management was unable, in certain circumstances, to clearly determine ownership and/or title to certain executory contracts and intellectual property assets, or to determine which entity was responsible for certain liabilities as between the Debtor and AlgoRx. Debtor’s management has listed on its schedules those IP assets that it believes the Debtor owns, but AlgoRx may have some interest in these same IP assets. In addition, the Schedules and Statements reflect some overlap with regard to certain assets and liabilities as between the Debtor and AlgoRx. All rights of each estate is hereby reserved.

3) Summary of Significant Reporting Policies. The following conventions were adopted by the Debtor in the preparation of the Schedules and Statements:

a. Fair Market Value; Book Value. Unless otherwise noted in the Schedules and Statements, the value of each asset and liability of the Debtor is shown on the basis of the book value of such asset or liability in the Debtor’s accounting books and records. As a result, the value of the Debtor’s assets and liabilities set forth on the Schedules and Statements may not always reflect the current market values of such property and/or liabilities.

b. Real Property, Personal Property–Leases and Other Executory Agreements. In the ordinary course of its business, the Debtor leased real property and various articles of personal property, including furniture, fixtures and equipment, from certain third-party lessors. In addition, the Debtor is party to multiple executory agreements with non-debtor parties. While

Debtor's management has made reasonable efforts to provide a complete and accurate listing of the executory contracts and leases to which it is a party based upon information and resources available at the time of preparation, subsequent and/or additional information may result in material changes, additions and/or deletions to the agreements set forth in the Schedules and Statements. However, nothing in the Schedules or Statements is or shall be construed as an admission or determination as to the legal status of any (i) lease (including whether it is a true lease, or financing arrangement or in fact executory) or (ii) contract or agreement (including whether such agreement is, in fact executory).

c. Causes of Action. Despite the efforts as described above, the Debtor may not have set forth all of its claims, causes of actions and potential recoveries in its Schedules and Statements. The Debtor reserves all of its rights with respect to any causes of action it may have, and neither these Global Notes nor the Schedules and Statements shall be deemed a waiver of any such causes of action.

d. Intellectual Property Rights. Exclusion of certain intellectual property shall not be an admission that such intellectual property rights have been abandoned, have been terminated or have otherwise expired by their terms, or have been assigned or otherwise transferred pursuant to a sale, acquisition or other transaction. Conversely, inclusion of certain intellectual property rights shall not be construed to be an admission that such intellectual property rights have not been abandoned, have not been terminated or otherwise expired by their terms or have been assigned or otherwise transferred pursuant to a sale, acquisition or other transaction. Accordingly, the Debtor reserves all of its rights with respect to the legal status of any and all such intellectual property rights.

e. Schedule D. All rights to dispute or challenge the validity, perfection or immunity from avoidance of any lien purported to be granted or perfected in any specific asset to a secured creditor listed on Schedule D are hereby reserved.

f. Schedule G. While every effort has been made to ensure the accuracy of the Schedule of Executory Contracts and Unexpired Leases, inadvertent errors or omissions may have occurred. The contracts, agreements and leases listed on Schedule G may have expired or

1 may have been modified, amended or supplemented from time to time by various amendments,  
2 restatements, waivers, estoppel certificates, letter and other documents, instruments and  
3 agreements which may not be listed therein. Certain of the agreements may not have been  
4 memorialized and could be subject to dispute. Executory agreements that are oral in nature, if  
5 any, have been scheduled to the best of the Debtor's knowledge. The presence of a contract or  
6 agreement on Schedule G does not constitute an admission that such contract or agreement is an  
7 executory contract or unexpired lease. As previously noted, Debtor's management was unable to  
8 clearly determine if the Debtor, AlgoRx, or both entities are party to executory contracts and  
9 leases that are listed in Schedule G. Therefore, in an abundance of caution and to help insure  
10 notice is provided to non-debtor counterparties of contracts and leases, there is significant overlap  
11 between Schedule G filed for the Debtor and Schedule G filed for AlgoRx.

12 g. Claims. Certain of the Debtor's Schedules and Statements list creditors and  
13 set forth the Debtor's estimate of the claims of creditors on or near the petition date. The actual  
14 amount of creditors' claims that ultimately may be allowed in this case may differ from the  
15 amounts set forth in the Schedules and Statements.

16 h. Disputed, Contingent and/or Unliquidated Claims. Schedules D, E and F  
17 permit the Debtor to designate a claim as disputed, contingent and/or unliquidated. A failure to  
18 designate a claim on any of these Schedules as disputed, contingent and/or unliquidated does not  
19 constitute an admission that such claim is not subject to objection.

20 i. Payments Made Within One Year of the Petition Date. The Debtor listed  
21 payments made to various individuals and entities in response to question 3c of the Statement of  
22 Financial Affairs. The inclusion of any individual or entity in the response to question 3c of the  
23 Statement of Financial Affairs, however, is not an admission by the Debtor that the individual or  
24 entity is an "insider," as set forth in section 101(31) of the Bankruptcy Code.

**SCHEDULE D - CREDITORS HOLDING SECURED CLAIMS**

State the name, mailing address, including zip code, and last four digits of any account number of all entities holding claims secured by property of the debtor as of the date of filing of the petition. The complete account number of any account the debtor has with the creditor is useful to the trustee and the creditor and may be provided if the debtor chooses to do so. List creditors holding all types of secured interests such as judgment liens, garnishments, statutory liens, mortgages, deeds of trust, and other security interests.

List creditors in alphabetical order to the extent practicable. If a minor child is a creditor, the child's initials and the name and address of the child's parent or guardian, such as "A.B., a minor child, by John Doe, guardian." Do not disclose the child's name. See, 11 U.S.C. §112 and Fed. R. Bankr. P. 1007(m). If all secured creditors will not fit on this page, use the continuation sheet provided.

If any entity other than a spouse in a joint case may be jointly liable on a claim, place an "X" in the column labeled "Codebtor", include the entity on the appropriate schedule of creditors, and complete Schedule H - Codebtors. If a joint petition is filed, state whether the husband, wife, both of them, or the marital community may be liable on each claim by placing an "H", "W", "J", or "C" in the column labeled "Husband, Wife, Joint, or Community".

If the claim is contingent, place an "X" in the column labeled "Contingent". If the claim is unliquidated, place an "X" in the column labeled "Unliquidated". If the claim is disputed, place an "X" in the column labeled "Disputed". (You may need to place an "X" in more than one of these three columns.)

Total the columns labeled "Amount of Claim Without Deducting Value of Collateral" and "Unsecured Portion, if Any" in the boxes labeled "Total(s)" on the last sheet of the completed schedule. Report the total from the column labeled "Amount of Claim" also on the Summary of Schedules and, if the debtor is an individual with primarily consumer debts, report the total from the column labeled "Unsecured Portion" on the Statistical Summary of Certain Liabilities and Related Data.

☐ Check this box if debtor has no creditors holding secured claims to report on this Schedule D.

**SCHEDULE F - CREDITORS HOLDING UNSECURED NONPRIORITY CLAIMS**

State the name, mailing address, including zip code, and last four digits of any account number, of all entities holding unsecured claims without priority against the debtor or the property of the debtor, as of the date of filing of the petition. The complete account number of any account the debtor has with the creditor is useful to the trustee and the creditor and may be provided if the debtor chooses to do so. If a minor child is a creditor, state the child's initials and the name and address of the child's parent or guardian, such as "A.B., a minor child, by John Doe, guardian." Do not disclose the child's name. See, 11 U.S.C. §112 and Fed. R. Bankr. P. 1007(m). Do not include claims listed in Schedules D and E. If all creditors will not fit on this page, use the continuation sheet provided.

If any entity other than a spouse in a joint case may be jointly liable on a claim, place an "X" in the column labeled "Codebtor," include the entity on the appropriate schedule of creditors, and complete Schedule H - Codebtors. If a joint petition is filed, state whether the husband, wife, both of them, or the marital community may be liable on each claim by placing an "H," "W," "J," or "C" in the column labeled "Husband, Wife, Joint, or Community."

If the claim is contingent, place an "X" in the column labeled "Contingent." If the claim is unliquidated, place an "X" in the column labeled "Unliquidated." If the claim is disputed, place an "X" in the column labeled "Disputed." (You may need to place an "X" in more than one of these three columns.)

Report the total of all claims listed on this schedule in the box labeled "Total" on the last sheet of the completed schedule. Report this total also on the Summary of Schedules and, if the debtor is an individual with primarily consumer debts, report this total also on the Statistical Summary of Certain Liabilities and Related Data.

☐ Check this box if debtor has no creditors holding unsecured claims to report on this Schedule F.
